RE: JOB ADVERTISEMENT.

Cango LyeC Program *Reducing HIV risk, Increasing access to treatment and promoting resilience among conflict-affected populations in Northern Uganda* herein referred to as '**Cango LyeC Study**', is a collaboration between Child Health and development Centre (**CHDC**), Makerere University College of Health Sciences (**MAK – CHS**), the University of British Columbia (**UBC**), Canada, and Northern Uganda Program on Health Science (**NUPHS**), and covers the districts of Gulu, Amuru, Nwoya and Omoro.

The main objective is to develop, and test Culturally-safe, Strengths-based, Trauma-informed, Technology-enhanced (CSTT) interventions among war affected populations in Northern Uganda. The purpose is to improve access to and uptake of HIV, Hepatitis B, and trauma services in the war affected populations.

The program seeks to recruit a suitably qualified, committed and self-driven individual to fill the following position(s) of Psychiatric Nurse in the program.

Roles:

- Responsible for Identification and diagnosis of Psychiatric conditions among study participants.
- Facilitate referral of Psychiatric cases for better management.
- Conduct pre-test counseling and collect biological specimens.
- Responsible for accurate, complete and efficient administration of Consent, Census, Questionnaires and any other data collection tools.
- Participate in one-on-one participant health education and provision of basic health care to study participants.
- Perform any other responsibilities that may assigned from time-to-time by the Principal Investigator (PI).

Qualifications:

- Candidates to this position must possess at least a Diploma in Psychiatric Nursing.
- Should be able speak the local language (Acoli)
- Previous experience of working in research setting and knowledge of using ODK tool for data collection will be an added advantage.

How to apply:

Application letters should be addressed to the Principal Investigator, 'Cango LyeC Program, And hand delivered or emailed to the Administrator (**Ms. Regina Ayako**) at the project's field office located on Plot 8, James Arwata Road in Kirombe, Gulu City, P.O Box 1421, Gulu. or at ayako_regina@yahoo.co.uk. Qualified and Interested candidates should accompany their application letters with their current CVs and all relevant academic documents. All applications must be submitted not later than 28th February, 2023.
